

**At this time, East Taylor Dental is in-network with the following dental plans:**

<b>United Concordia</b>	1(800) 972-4191 (option 6) <i>*be advised we do not accept discount plans</i>
<b>Blue Cross Blue Shield of Alabama</b>	1(800) 292-8868
<b>MetLife</b>	1(844) 263-8336
<b>Delta Dental (Premier)</b>	1(800) 422-4234
<b>Southland</b>	1(800) 476-3010
<b>Cigna (DPPO Providers)</b>	1(855) 336-7715

If you choose to sign up for a different plan, there are a few details you will want to watch out for:

- Ask if there is any "Missing Tooth Clause". If you are currently missing any teeth and plan to replace them then you do not want your policy to have this clause. If you still have all of your natural teeth then this will not matter to you.
- Ask if the policy has "Major Coverage", specifically for crowns, bridges, dentures, etc. Some policies say they have "Major Coverage" but what they list in that section is actually limited to root canals and extractions.
- Ask if there are to be any "Waiting Periods". Most individual plans will have waiting periods, meaning it would cover exams and regular cleanings right away, but treatment of any kind would not be eligible for reimbursement for a period of time (usually 6mo-12mo).

Feel free to contact our office at (334) 271-4600 with any additional questions. We are happy to explain in further detail if needed.
